Communication and Language	 Generally focus on an activity of their own choice and find it difficult to be directed by an adult Listen to other people's talk with interest but can easily be distracted by other things Start to develop conversation, often jumping from topic to topic Develop pretend play Listen to simple stories and understand what is happening, with the help of the pictures Understand simple questions about 'who', 'what' and where Use longer sentences of four to six words. Use talk to organise themselves and their play: "Let's go on a bus you sit there I'll be the driver. Develop their communication, but may continue to have problems with irregular tenses and plurals, such as 'runned' for 'ran', 'swimmed' for 'swam'. Be able to express a point of view and to debate when they disagree with an adult or a friend, using words as well as actions. Use a wider range of vocabulary. Sing a large repertoire of songs. Know many rhymes, be able to talk about familiar books, and be able to tell a long story. Develop their pronunciations but may have problems saying some sounds: r, j, th, ch, and sh and multisyllabic words such as 'pterodactyl', 'planetarium' or 'hippopotamus' 										
Personal, Social and Emotional Development	 Feel strong enough to express a range of emotions Grow in independence, rejecting help Talk about their feelings in more elaborate ways Safely explore emotions beyond their normal range through play and stories Learn to use the toilet with help, and then independently Play with one or more other children, extending and elaborating play ideas. Remember rules without needing an adult to remind them Help to find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas. Develop appropriate ways of being assertive. Talk with others to solve conflicts. Begin to understand how others might be feeling. Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. 										
Physical Development	 Use large and small motor skills 	to do things indepo learning how to use wave flags and str activities which the arry out their own p they get dressed an	endently, for example e a knife and fork eamers, paint and m ey make up for thems lan. For example, ch ad undressed, for exa	e manage buttons and zi ake marks selves, or in teams. oosing a spade to enlarg ample, putting coats on a	je a small hole the	y dug with a trow	vel.				

Literacy	 Enjoy songs and rhymes Sing songs and say rhymes independently Say some of the words in songs and rhymes Enjoy sharing books with an adult Have favourite books and seek them out to share with an adult, with another child or to look at alone Repeat words and phrases from familiar stories Add some marks to their drawings Make marks on their picture to stand for their name Engage in extended conversations about stories, learning new vocabulary Write some letters accurately. Write some or their name. Understand the five key concepts about print: print has meaning print can have different purposes we read English text from left to right and from top to bottom the names of the different parts of a book page sequencing Develop their phonological awareness, so that they can: spot and suggest rhymes count or clap syllables in a word 	 Ask questions about a book. Make comments and share their own ideas. Develop play around their favourite stories using props Notice some print, such as the first letter of their name, a bus or door number, or a familiar logo Use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; write 'm' for mummy. Write some of their name Write some letters accurately Develop their phonological awareness, so that they can: spot and suggest rhymes recognise words with the same initial sound, such as money and mother
Mathematics	 Say one number for each item in order: 1,2,3,4,5. Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). Show 'finger numbers' up to 5. Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5. Solve real world mathematical problems with numbers up to 5. Compare quantities using language: 'more than', 'fewer than'. 	 Say one number for each item in order: 1,2,3,4,5. Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). Show 'finger numbers' up to 5. Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5. Talk about and identify patterns around them (e.g. stripes on clothes, designs on rugs) Extend and create ABAB patterns – stick, leaf, stick, leaf. Notice and correct an error in repeating patterns Begin to describe a sequence of events using words such as first, then
Understanding of the World	 Explore natural materials with different properties Use all their senses in hands-on exploration of natural materials Explore collections of materials with similar or different properties Talk about what they see using a wide vocabulary 	 Know that there are different countries in the world and talk about the differences they hae experiences or seen in photos Understand the key features of the life cycle of a plant and an animal. Begin to understand the need to respect and care for the natural environment and all living things. Plant seeds and care for growing plants
